PROFESSIONAL SUMMARY

Versatile professional with expertise in C++, Python, and AutoCAD, complemented by proficiency in Google Collab and Cisco Packet Tracer. Demonstrates strong problem-solving abilities, effective communication, and leadership skills, fostering teamwork and delivering impactful presentations. Committed to leveraging technical knowledge and collaborative capabilities to drive innovative solutions and achieve organisational goals.

WORK HISTORY

Intern

07/2026 - 08/2026

FlyRank - Wah, Punjab

2 months

Working as a Machine Learning Intern at FlyRank (remote), contributing to AI-driven SEO and content optimization tools. Developing and testing machine learning models using Python, primarily in Google Colab and Jupyter notebooks, with code version-controlled and collaborated on via GitHub.

- Built and trained [e.g., classification/NLP/regression] models to [e.g., predict content performance / analyze keyword trends / automate content scoring], using libraries such as [pandas, scikit-learn, TensorFlow/PyTorch — whichever you used]
- Cleaned, preprocessed, and analyzed large datasets to prepare them for model training and evaluation
- Collaborated with the team via GitHub — writing, reviewing, and merging code through pull requests, maintaining clean version history
- Experimented and prototyped rapidly in Google Colab, documenting results and iterating on model performance

EDUCATION

BS: Robotics and Intelligent Systems, 09/2024 - 06/2028

Bahria University - Islamabad, Pakistan

CGPA: 3.23

FSC: Pre-Engineering, 07/2022 - 03/2024

KIPS College - Wah Cantt, Pakistan

Marks: 663

Matric: Science, 08/2020 - 03/2022

Nova City School - Wah Cantt, Pakistan

Marks: 894

PROJECTS

1st Semester Walking Robot AutoCAD 5th January 2025, 2nd Semester Line Following Robot Mechanics 2nd May 2025, 3rd Semester Balloon Popping Robot Digital Logic Design 15th December 2025, 3rd Semester

Robotic Arm Introduction to Robotics 7th December 2025, 3rd Semester
Airline Self-Service Booking Check-In Terminal Object Oriented
Programming 12th December 2025

HOBBIES AND INTERESTS

- I have interest to play Badminton

AWARDS, ACCOMPLISHMENTS, AND HONOURS

- **Handball Medalist** – Awarded a medal for outstanding performance in the **School Handball Competition**.

CERTIFICATIONS AND LICENCES

- **Certificate of Achievement** – Secured participation/recognition in the **Line Following Robot Competition** at **InnoFest**, Bahria University .
